

PowerTalk Seminars, LLC

"Communicating for Results!"

WHO ARE WE? PowerTalk Seminars, LLC is a high performance, results-oriented provider of educational seminars offering unique content-rich, interactive training programs for small-sized seminar groups of just 10-30 participants max. for the optimum high value learning experience.

- Our public seminars include the highly popular after work hours "Prime Time Dinner Programs" and "Power Hour Power Lunches" as well as our "Pizza, Pop, and Power Pal" Guest Panel Presentations, and Power Breakfast Networking Events.
- Our expert "on-site" educational programs are conveniently presented at your location and can accommodate most budgets and training schedules. We offer half-day, full-day, evening, and weekend sessions, and our highly popular mini-series, the "90-minute workshops!"
- Additionally, our "Leadership Lunch and Learn" interview and panel discussions as well as our motivational keynotes, are available upon request.

Our Objective:

To provide knowledge-based programs that educate, entertain, and engage our participants to improve their proficiency, professionalism, and performance.

Our Mission:

"Developing leaders, achieving dreams, helping build empowered teams!"

Our Clients:

Results-oriented businesses hire us to help managers and aspiring managers develop the core skills necessary for teamwork, increased productivity, and improved sales.

Our Topics:

- ✓ Leadership development
- ✓ Effective communication
- ✓ Transformational sales
- ✓ Goal-achievement strategies
- ✓ Presentation skills
- ✓ Team building
- ✓ Business Networking

Meet Your "Power Team!"

Vitalia Bryn-Pundyk, M.Ed/DTM & Roman Pundyk, DTM

PowerTalk Seminars offers you "two speakers for the price of one!" This dynamic Power Team is comprised of a unique husband and wife team who enjoy living together AND working together!

Both Roman and Vitalia are award-winning international speakers, authors, and area experts who deliver programs that result in leadership development, improved communications, and organizational growth.

If you are looking to grow your business, increase productivity, and optimize your sales, this dynamic Power Team will be happy to customize a results-oriented program for you and your team.
