"I loved the smaller group size and interaction, rather than feeling lost in a crowd. I enjoyed the intimate setting and smaller room. I have a lot of trouble with nerves, so I enjoyed the Helen Hayes quote and the Jack Nicklaus quote. I'll remember to make my first choice my second choice. You did a great job!"

-- Dave Ryan

The Morning Show KDWB Radio 101.3

"I liked learning to persuade others. The tips I found most helpful were reading body language, and persuasion techniques."

-- Devean George

3 time NBA Champion with the L.A. Lakers.

"I learned a lot from each presenter. I truly enjoyed the experience and took a lot away. The information I learned will enhance the way that I deal with customers, management, and other employees at work. I can see some of the techniques helping me to build my sales at work and enhancing my toastmasters skills. I hope you have great success in your seminars and I hope to see you soon at another event."

-- Arlene Gallegos

Estee Lauder Beauty Consultant

"I recently attended the PowerTalk Seminar "The Three C's of Effective Communication" and found the content quite useful. The speakers were polished and presented the information quite effectively, and kept it fun as well. I would definitely recommend this seminar to people interested in learning some ways to improve their ability to communicate effectively with others."
